

**DEATH-GIVER** was a **DASHING** name for a young  
but **RUGGED** and **GIFTED** **LEECH**.

His parents, **STORM-TOOTH** (a talented **CURSE GIVER**)  
) and **POWER-TAKER** (an **INTUITIVE** **SNOWBORN**  
**ICE-GIVER**) were **WISE**, **TIRELESS**  
and **TENACIOUS** in the training of their most **EAGER**  
, **EFFERVESCENT** and **ATTENTIVE** offspring.

Today, our hero needed to **RALLY** his **WELL TRAINED**  
reflexes and use his **CRAFTY**, **CALCULATING**  
and **SPELL-DEFYING** skills to **BAFFLE** and **BEFUDDLE**  
his **DETERMINED** and **CANNY** adversaries.

He barely remembered his older brother, **HEXSTER**  
, who **EXHAUSTED** himself and was suffocated by  
a **BANANA PEEL** while in a **BIG HURRY** to **CHARGE**  
a **DEATH-PROOF** Wandering Spectre in Sunken City.

Sunken City - the name brought up **CLEAR** images of  
a **BIG SPARKY** Living Scarecrow and the skill it used  
to **DISTRACT** even the most **DOGGED**  
and **ADROIT** parasites.

Taking a deep breath, he ly wielded his trusty , did a little  and entered the ing city.

Grubb was a **PAIN-GIVER** and used **SHARP-SHOT** to **DRAIN** and **EXHAUST** his **DUMFOUND** ed foe.

"**THINK FAST!**" our hero thought to himself, conjuring a **BAD SNOWMAN** and giant **BANANAS!** to **STALL** Grubb, while he used a **SHARP-EYE** to figure out how to **SAP** his opponent and **SIPHON** off his **STURDY** and **STORM-PROOF** **TOWER SHIELD**.

**FEELING WEAK**, he **CHECK** ed his **DURABLE** **UNBALANCER** and cast a **FEINTING SPELL** to momentarily **PERPLEX** Grubb while he used his **MANA GIFT** to **EFFICIENT** ly sidestep his nemesisø **BLADE FLURRY**.

More confident in his ability to **OVERTAKE** the treacherous **PIERCEMONGER**, the **VIGILANT** and **STALWART** bloodsucker stood **STEADFAST** and **FORCEFUL** ly **STONEWALL** ed his vicious foe.

Finally Grubb, the bane of all leeches, was up against a **DEAD END**, radiating a **DEATH AURA** that made it clear

that his once powerful  had been dealt
