

õWelcome to the Ravenwood Training Boot Camp where you will learn   skills that will make you into more  and  wizards,õ announced our new instructor, Professor Kilmage.

The class was made up of the most  and  witches and wizards of the Spiral. Though, they were very  to learn and always  when it came to getting the job done, they were a  and rambunctious group.

õOk guys, õ barked Professor Kilmage. There was a few who were still talking, while others were whispering, õ  teach is going to give our orders."

õI demand complete and utter  while I am speaking or you will be put on a permanent õ, threatened the professor as he glared at us.

õYou will have to õ, began Professor Kilmage, õand look  when you are out there on your own. Stay  to your surroundings and be  at all times. Do not give the enemy opportunity to  you. Be  and don't get into a , or you will make mistakes. 

to make sure you have a  before you  or you may wind up at a  or facing a  and then you will be trapped. If you are unfortunate enough to get captured, be wily and . Use any  means that you can imagine to escape and  back to our rendezvous point. Try using  tactics and if that doesn't work then see if you can  them and make your getaway.ö

ö  back from lunch and I will give you your assignments,ö he concluded."

öI wonder if I would be excused if I told him I was too  from my other studies,ö I told Haley on the way to the cafeteria.

öI thought about saying I was  and casting a  on myself,ö replied Haley.

"I know from now on his new name is gonna be Professor !ö I giggled as we entered the lunch line.
